

# NOVO SERIES

Mains-Connected or Bottled Water Coolers

Aqua Cooler's Novo Series conveys the capacity and performance of a premium cooler to an affordable and modern unit. Available in Ambient / Cold, the Novo range is perfect for small office or home use.

## KEY FEATURES

- 2.0L/h cold water output
- Stainless steel side panels and corner pieces for heavier-duty applications
- Individually switched power for heating and cooling circuits
- Durable polypropylene, colour-coded, self-closing taps
- Food-grade, stainless steel water contact tubes
- Easy-to-clean, removable drip tray
- 12 month standard warranty and 36 month compressor warranty
- Full range of replacement parts

The Novo Series range can dispense 2L/H of cold water. The stainless-steel side panels and corner pieces make this unit perfect for heavier-duty applications such as workshops. Coupled with our 12-month standard warranty, additional 24-month refrigeration circuit warranty and full range of replacement parts, the Novo is a strong choice for a long-lasting water dispenser.

Aqua Cooler water coolers are manufactured from the highest quality components supplied from the industry's leading suppliers and designed to run efficiently with low maintenance.
