

BF200W SERIES

Wall-Mounted Bottle Refill

The BF200W wall-mounted bottle filler is compact, strong and robust. It is easy to use and ideal for schools, day care centres, gymnasiums and outdoor recreational areas that require access to fresh water.

KEY FEATURES

- Australian made
- 316 stainless steel panel fixings and catchment tray (optional)
- Strong 8mm mild steel construction
- Easy water activation system
- Bottle refill as standard
- Available in two additional models, BF200WSH (Short), BF200WC (with catchment tray)
- Vandal resistant
- Easy installation and easy access for maintenance
- Powder coated in premium Dulux steel shield coating finish
- Full parts and technical back up service

This wall-mounted refill station is the perfect solution to accompany existing water bubblers. Urban's outdoor wall-mounted fountain has WaterMark certification and gives users access to water so they can refill their bottles, encouraging reduced single-use plastic waste. Easy, convenient and with an optional filter, the BF200W promotes health and wellbeing by encouraging drinking of fresh water.

The BF200W bottle refill station is the perfect choice for all your hydration needs when a compact outdoor solution is required.
