# VERSAFILLER SURFACE-MOUNTED ALL-IN-ONE

Wall-Mounted Mains-Connected All-In-One Unit

The VersaFiller Series comes in a wide range of configurations, including single and split-level designs, both of which feature either manual or contactless bubblers and bottle fillers.

## **KEY FEATURES**

- Stainless steel top and heavy duty frame with galvanized or stainless steel option
- High efficiency cooling system and refrigerant R-134a
- Built-in 100 micron strainer stops particles before they enter the waterway
- Waterways are lead free in materials and construction
- External stream height adjustment on bubblers
- Hands-free bottle filler with programmable shut off timer (hands free version only)
- Integrated bottle counter and filter monitor. (hands free version only)

With the option to upgrade to a vandal-resistant design, the VersaFiller is perfect for schools and other public areas. All VersaFiller fountains use R-134a refrigerant and have an efficient, high-performing refrigeration system.

All Oasis bottle fillers are made with proprietary Freshield technology. Freshield harnesses the natural bacteria-fighting power of silver by infusing it into a poly compound on moulded parts of the alcoves.
