

APOLLO 280 SERIES

Outdoor Drinking Fountain with Bottle Filler

The Apollo 280 (A280) drinking fountain features a robust design with both bubbler and bottle refill outlets. With its custom-designed stainless-steel basin and feature front panel, sand/debris resistant activator button, WaterMark certification, and AS1428 compliance options, the A280 is practical, stylish and complements any contemporary urban streetscape or park setting.
