

OASIS SERIES

Premium Bottled Water Coolers

This stylish range of anti-fingerprint, stainless-steel water coolers is the perfect addition to a modern kitchen, spacious living room or small office. The Oasis range offers a high-performance, durable refrigeration and heating systems enclosed in a sleek housing.

KEY FEATURES

- Fingerprint-proof stainless steel housing
- Durable polypropylene, self-closing taps
- Food-grade, stainless steel water contact tubes
- Easy-to-clean, removable drip tray and non-spill system
- 12 month standard warranty and 36 month compressor warranty

With polypropylene, colour-coded, hot-and-cold taps and integrated non-spill system, Oasis coolers also feature detachable parts to make cleaning a breeze. This range of free-standing coolers are available in bottled and mains-connected configurations.

The stainless steel body makes the Oasis range suitable for heavy-duty applications such as workshops. These units can dispense 5 L/h of hot water and 2 L/h cold water and come with our standard twelve month warranty and additional twenty-four month refrigeration circuit warranty. As with all our water coolers, a full range of replacement parts are available to keep the unit in operation for longer.

Your Partner in Cool.
