BF200 SERIES

Refill Station

Greater consciousness of plastic's environmental impacts means the BF200 water bottle refill fountain is ideal for today. Made from heavy duty steel, the BF200 has WaterMark certification and gives users practical access to easily refill their drink bottles.

Plumbed-In

KEY FEATURES

- Australian made
- 316 stainless steel panel fixings and catchment tray (optional)
- Strong 8mm mild steel construction
